WOMEN OF IMPACT

MISSION

Women of Impact are dedicated to the mission of Girls Inc., to inspire all girls to be Strong, Smart, and Bold. We do this through active participation in programming and annual financial investment.

VISION

Women of Impact are dedicated to advancing opportunities for girls through their support, engagement, and their active participation as mentors, role models, tutors, scholarship judges and more! Women of Impact are critical to inspiring girls, building their confidence and helping them navigate existing racial, gender and economic inequalities within the community.
